Form RI-1041ES

Rhode Island Fiduciary Estimated Payment Coupons

PURPOSE OF FORM

This form provides a means of paying your Rhode Island income tax on a current basis on income other than salaries or wages subject to withholding. If you are entitled to a refund because the amount paid or credited as estimated tax for the taxable period exceeds your actual tax liability, you must file an income tax return to obtain the refund.

WHO MUST MAKE ESTIMATED PAYMENTS

Every estate and trust shall make estimated Rhode Island personal income tax payments if their estimated Rhode Island income tax can be reasonably expected to be \$250 or more in excess of any credits allowable against their tax, whether or not they are required to file a federal estimated tax for such year.

MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

Taxpayers with modifications increasing or decreasing federal adjusted gross income may refer to Form RI-1040, schedule 1, lines 23C and 24C for examples of income to be entered as modifications.

CHANGES IN INCOME

Even though on April 15, 2007 you do not expect your tax to be large enough to require making estimated payments, a change in income may require you to make estimated payments later.

If you file your 2006 income tax return by February 15, 2007 and pay the full balance of tax due, YOU NEED NOT: (a) make an original estimated payment otherwise due for the first time on January 15, 2007 or (b) pay the last installment of estimated tax otherwise due and payable on January 15, 2007.

HOW TO ESTIMATE YOUR TAX FOR 2006

Your 2006 estimated income tax may be based upon your 2005 income tax liability. If you wish to compute your 2006 estimated income tax, use the enclosed estimated tax worksheet.

WHEN AND WHERE TO MAKE ESTIMATES

Make your first estimated payment for the period January 1, 2006 through December 31, 2006, on or before April 15, 2006. It must be filed together with the payment due with the

Division of Taxation, One Capitol Hill, Providence, RI 02908-5807.

PAYMENTS OF ESTIMATED TAX

Except as provided for in the next paragraph of instructions, the estimated tax on line 15 of the worksheet is payable as follows: 25% on or before April 15, 2006; 25% on or before June 15, 2006; 25% on or before September 15, 2006 and 25% on or before January 15, 2007.

FISCAL YEAR TAXPAYERS

If you report income on a fiscal year basis, substitute the corresponding fiscal year months for the months specified in the previous instructions. For example, if your fiscal year begins on April 1, 2006, your estimated payments will be due on July 15, 2006, together with 25% of the estimated tax. In this instance, 25% will be due on or before September 15, 2006; 25% on or before December 15, 2006 and 25% on or before April 15, 2007.

AMENDED ESTIMATED PAYMENTS

If, after having paid one or more installments of tax, the taxpayer finds that his or her estimated tax should be increased or decreased by a change in income, he or she must file an amended estimate on or before the next filing date. If an amendment is made after September 15th of the taxable year any balance due should be paid at the time of filing the amendment. (SEE AMENDED ESTIMATED TAX SCHEDULE)

CREDIT FOR INCOME TAX OVERPAYMENT

Your credit for income tax overpayment from your 2005 Rhode Island income tax return may be deducted from the first installment of your 2006 estimated tax, and any excess credit from succeeding installments. However, if you desire to spread the credit, divide it by the number of installments and enter on line 17 of RI-1041ES worksheet.

CHARGE FOR UNDERPAYMENT OF INSTALLMENTS OF ESTIMATED TAX

An interest charge is imposed for underpayment of an installment of estimated tax. The Rhode Island income tax law follows similar provisions of the Internal Revenue Code with respect to exceptions. Such charge on any unpaid installment shall be computed on the

amount by which the actual payments and credits applied to the tax are less than 80% of such installment at the time it is due. If it appears that there was an underpayment of any installment of estimated tax, you may attach RI-2210 (if any of the exceptions apply) to your RI income tax return explaining why an additional charge should not be made.

PENALTIES

The law imposes penalties and interest charges for failing to pay the estimated tax due or for making false or fraudulent statements.
