Total		64		\$320,000.00

Scholarship Organization's Totals 72 \$5,000 \$360,000.00

Please provide a description of all criteria used by the organization to determine to whom a scholarship shall be awarded under this program:

All of the funds collected during the year are evenly divided among those students whose family income was less than 250% of Federal poverty guidelines.  
 We have met the 90% test each year, but have accumulated some undispersed funds which were used this year to meet expenses.
