Type of Return – Indicate by checking the appropriate box what type of return you are preparing. If you are preparing a bankruptcy estate, see the 2002 Rhode Island Fiduciary Tax Rate Schedules for instructions on how to file.

Names, Address and Federal Employer Identification Number – make sure the names, address and federal employer identification number on the return are correct. Incorrect entries could delay the processing of your return.

Year End – Indicate by checking the appropriate box whether the fiduciary is a calendar or fiscal year filer. If the fiduciary is a fiscal year filer, indicate the beginning and the year-end of the fiduciary in the space provided. Only fiduciaries with a fiscal year beginning in 2002 may use this form.
