MeF Software Developer Registration

The Rhode Island Division of Taxation is asking software developers that plan to test either 1040 or 1120 MeF to provide some basic contact information to facilitate communication during testing. We have a small staff and any suggestions that will make testing less stressful for both sides will be welcome.

Schema questions can be addressed to

Daniel Clemence dclemence@tax.ri.gov 401-574-8732

Other questions can be addressed to

Susan Galvin sgalvin@tax.ri.gov 401-574-8769

Software Company _____

ETIN(s) _____

1040 _____ 1120 _____ 1065 _____
