## Division of Taxation

Following is a listing of tax preparation software that has completed and passed the Rhode Island Division of Taxation's acceptance testing for tax year 2016. As of January 19, 2017, at 3:00 p.m. Eastern time, the Division of Taxation has approved every vendor that has submitted test cases. If your software is not listed in the following table, your software vendor has not submitted any Modernized e-File (MeF) tests to the Rhode Island Division of Taxation. In that case, contact your software provider directly for more information.
