

**ANNUAL REPORT OF TAX CREDIT AND INCENTIVES
ADMINISTERED IN CONJUNCTION WITH THE RHODE ISLAND
COMMERCE CORPORATION – FISCAL YEAR ENDING 2017**

Rhode Island General Laws (RIGL) require the Division of Taxation to annually report the name, address, and amount of tax credit received¹ for each credit recipient during the previous fiscal year in the following categories:

- ❖ Anchor Institution Tax Credit (RIGL § 42-64.30).
- ❖ Rebuild Rhode Island Tax Credit (RIGL § 42-64.20);
- ❖ Rhode Island New Qualified Jobs Incentive 2015 (RIGL § 44-48.3);
- ❖ Rhode Island Tax Increment Financing (RIGL § 42-64.21); and
- ❖ Stay Invested in RI Wavemaker Fellowship (RIGL § 42-64.26);

In mid-2015, the Division of Taxation began working with the Rhode Island Commerce Corporation to develop Rules and Regulations that would govern the tax credits and incentives aimed at boosting the state's economy by attracting new businesses and industry to the state, as well as stimulating growth within the state.

By early 2016, Rules and Regulations for all of these tax credits and incentives were promulgated. Creation of program procedures and applications followed paving the way for these programs to spur job creation and economic development.

As shown on the attached report, while the Rhode Island Commerce Corporation has approved and awarded credits to multiple businesses² under these programs, none of them received state tax credits or incentives for the fiscal year ended June 30, 2017.

The purpose of the attached report is to summarize the amounts of tax credits received by entities during Fiscal Year 2017 (July 1, 2016 through June 30, 2017). This report is not intended to provide an analysis as to the effectiveness of any of the tax credit or incentive programs.

¹ The Division of Taxation interprets “. . . amount of tax credit received” as the amount of tax credit issued by the Division of Taxation to the credit recipient. The issuance may be in the form of a tax credit certificate or a refund.
