Rhode Island General Laws (RIGL) require the Division of Taxation to annually report a recipient’s name, address and amount of tax incentives received during the previous fiscal year in the following categories:

- Rhode Island Economic Development Corporation Project Status (RIGL § 42-64-10);
- Incentive for Innovation and Growth (RIGL § 44-63-3);
- Jobs Development Act (RIGL § 42-64.5);
- Distressed Areas Economic Revitalization Act – Enterprise Zones (RIGL § 42-64.3);
- Motion Picture Production Tax Credit (RIGL § 44-31.2);
- Mill Building and Economic Revitalization Act (RIGL § 42-64.9); and
- Historic Preservation Tax Credits 2013 (RIGL § 44-33.6).

The attached report also summarizes the amounts of tax credits and bonds, grants, loans, loan guarantees, matching funds or tax credits received by entities during Fiscal Year 2015 (July 1, 2014 through June 30, 2015).

This attached report merely summarizes the amount of tax credit received along with other incentives received for each project entity during Fiscal Year 2015. This report is not intended to provide an analysis as to the effectiveness of this or any other tax credit or incentive.

By law, businesses are required to submit the information, under penalties of perjury, to the Division of Taxation, which then verifies and compiles the data and publishes it in a report, which the agency makes available on its website, www.tax.ri.gov.

A total of 18 businesses received more than $30.1 million in state tax incentives for the year ended June 30, according to the attached report published on August 17, 2015.

The Annual Tax Credit Disclosure Report focuses on seven tax incentives that were created to help spur job creation and economic development – including sales tax exemptions, corporate tax rate reductions, and motion picture production tax credits.

Since 2008, more than 330 businesses have received a cumulative total of $240 million in Rhode Island tax credits and incentives.
